

Easy DIY Cleaner

Photo and recipe from becauseurtlesatplasticbags.com

Ingredients

For a 32 oz bottle:

Distilled white vinegar, 8 ounces

Citra Solv Concentrated Cleaner & Degreaser, 1-2 teaspoons

Liquid dish soap, 1 tablespoon

Tea Tree Essential Oil, 15-20 drops

Essential Oil of your choice, 15-20 drops

Water

Mix

In a 32 oz spray bottle, pour in 8 ounces of distilled vinegar. Add Citra Solv, dish soap, and essential oils. Then fill almost to the top with tap water, close with sprayer top, and shake lightly to mix everything together. Enjoy the scent while you clean! For 16 oz bottles, just halve the ingredients.
